

• ANNUAL REPORT FROM GUSTAVUS CHURCH RELATIONS — DECEMBER 2013 •

Greetings to you from your colleagues in ministry at Gustavus Adolphus College! As we reflect upon this year and every year we find ourselves grateful for and proud of our heritage as a College of the Lutheran Church. We are blessed to be able to provide countless resources to members of our Gustavus Adolphus College Association of Congregations. This Association is important as the place where official governing boards of the College are elected each April. Within this Association, key relationships are formed that help us maintain and grow this connection.

On July 1, the College announced the calling of the Reverend Siri C. Erickson and the Reverend Brian E. Konkol to serve as Chaplains of the College. The chaplains have focused upon greater student engagement and have been carefully discerning how the College will practice daily worship during the scheduled 10—10:20 a.m. chapel time. “We understand the challenges that arise out of changes in leadership, and we will do our best to listen, learn, and grow into our new roles,” Chaplain Konkol said. “We are deeply honored to follow in the footsteps of a long line of faithful chaplains at Gustavus, and we intend to build upon their numerous contributions.”

As you gather for your annual assembly, we hope you are inspired by the reminder of the many others who walk along side you in mission and the great vineyard our God has placed us all within. Thank you to the many of you who have made good use of our ministry partnership. It is our joy to offer ourselves in service to you and the community you serve.
