

Southwestern Minnesota Synod
Evangelical Lutheran Church in America
God's work. Our hands.

The next book study will be: **'The Business of the Church: The Uncomfortable Truth that Faithful Ministry Requires Effective Management'**

John W. Wimberly, Jr. writes about how a pastor/pastoral team may consider effectively managing congregational systems, staff personnel, church facilities, and the church finances in order to be considered a successful church manager. The author offers his specific illustrative techniques and then backs them up with anecdotes and stories to build on what has already been explained.
