Working for a life-changing men's ministry in every congregation

Every man that is a member of a congregation in the ELCA is a member of Lutheran Men in Mission. We need your support as members to continue to carry out the mission to which God has called us. We need your prayers so we can continue to serve God to the best of our abilities. We need

you assistance to continue to reach out to men in our communities so that they too can know the joy of life in Christ.

Lutheran Men in Mission..... Working for God's Kingdom

The Lutheran Men in Mission of Southwest Minnesota works to spread the Good News of God's Kingdom by reaching out to men in our area through many different programs. Each of these programs has a unique focus to bring God's light and forgiveness into the lives of men. Here are some of the programs we sponsor:

Master Builder Bibles

With the help of the National LMM we provide six new Master Builders Bibles to each congregation that is beginning or revitalizing a new men's group. These six Bibles are given at no cost to the church or individual, and are great resources for groups as they begin to study God's word together.

Rural Ministry Scholarship

The Southwest Minnesota LMM sponsors a full scholarship to a senior seminary student who is looking to serve in a rural area. This scholarship enables future pastors to consider serving in less populated areas without the worry of a heavy student loan debt.

Faith Chests

Each year Lutheran Men in Mission in SWMN Synod sponsors faith chest building clinics where church groups and individuals come to learn a unique way to pass on their faith to the next generation.

Strengthening Faith

Gathering together and doing something is one of the most important things that men can do to strengthen their relationship with each other and their faith. In southwest Minnesota

we provide several events for men to do just that. Whether it be at a retreat, golf outing or a canoe trip, men are able to grow in their faith.

Supporting Young Men

In order to support the next generation of men we offer scholarships to all young men, college age or younger, to come to our annual spring retreat. Donations for this project are most welcome.

Prison Ministries

LMM supports "Prisoners of Hope", an ELCA church in the Prairie Correctional Facility of Appleton MN. Over the years we have helped them in many ways. They now have a thriving Bible study using the Master Builders Bible. LMM also sponsored training for a new after-care program so once men have been released, they will be able to find a new church home.

We need your prayers and support to continue to serve in these ways!
